

## **Stapleford Twinning Association**

This year Stapleford reaches the milestone of 45 years of Twinning (*le jumelage*, in French) and a group of 18 Twinners will be travelling to France between the 3<sup>rd</sup> and the 5<sup>th</sup> May to celebrate and enjoy the camaraderie and friendships that have been forged over that time.

We continue to hold social events for both members and non-members which are publicised on our website, [twinning.staplefordvillage.org.uk](http://twinning.staplefordvillage.org.uk), and in the Stapleford Messenger.

New members are always welcome. Details on how to join are on our website.
