Sent from my iPad Dear Mrs Irons

Herewith the annual report of the Village Hall Estates Fund:

Funds available for distribution at CBS.

Income £920.43 (£827.40). Expenditure £2496.29 (£1800)

We had more requests than usual this year. We donated £200 for a gift of flower seeds and instructions to the schoolchildren of the village as part of the celebrations of King Charles' Coronation. We gave £396.29 for a garden seat in Cox's Close. We also subsidised the catering for the Sheltered Housing Scheme residents Christmas Party with £200 and gave £500 as contribution to the cost of a defibrillator to be installed in the phone box. Finally we provided £1200 to support the Warden Scheme.

Overall the Fund was reduced by £1575.86 and now stands at £2021.37.

Regards Trevor Godsell.
